

# NEW TITLE

Volume 2 of our popular Remembering Rootes publication covering the later vehicles of the early 1960's is now available.

This includes the vehicles of Commer, Humber, Hillman, Singer and Sunbeam (Alpine & Tiger).

These are a compilation of extracts from the magazines (Modern Motoring & Travel) published by the Rootes company in the day including numerous features by Jack Brabham testing the vehicles, adverts, history, race reports, etc.....

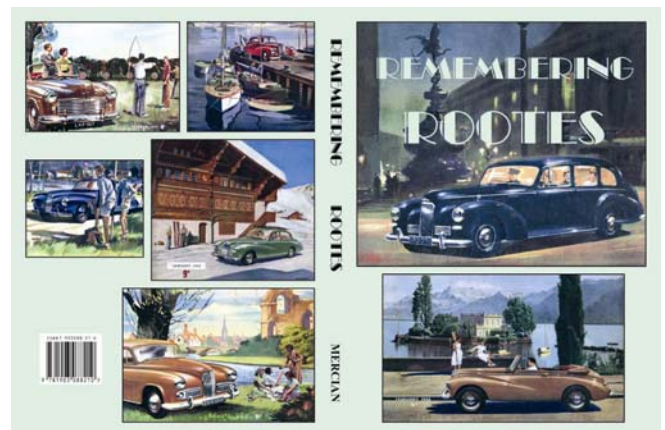

They recall happy memories for those who are old enough to remember and enlighten those who are not to the great-varied activities the company embarked upon.

SIZE: A4 format, 20mm thick, perfect bound.
